The Service

CGS Associated Issuers links related issuers in the CUSIP database. Issuers that have had either a corporate action (such as a name change or reorganization) or issuers that have more than one CUSIP issuer number will be linked to the latest active CUSIP issuer number.

Benefits

- Supports oversight functions through issuer groupings
- Links issuers with more than one CUSIP issuer number
- Supports corporate back-testing functions

Features

- Links overflowing CUSIP issuer numbers
- Tracks CUSIP-related issuer and issue activity over time
- Provides old and new issuer names with effective dates for corporate actions
- Issuers roll up to the "Issuer Link", the latest active CUSIP in grouping
- Links issuers with multiple CUSIP issuer numbers
- Over 280,000 CUSIP/CINS issuers linked

Format

- Pipe-delimited text file

About CUSIP®

The financial services industry relies on our unrivaled experience in uniquely identifying instruments and entities to support efficient global capital markets. Our extensive focus on standardization over the past 45 years has helped us earn the reputation for being the trusted originator of quality identifiers and descriptive data that are interoperable among regulators, banks, vendors, exchanges and depositories. This ensures that essential front- and back-office functions continue to run smoothly.

CGS is managed on behalf of the American Bankers Association (ABA) by S&P Global Market Intelligence, with a Board of Trustees that represents the voices of leading financial institutions.

Subscription services provide data access directly from CGS. Data is also available through authorized redistributors and may be subject to a separate CGS license.
